A screenshot of the AFT login page. The page has a white background with a light gray border. At the top, the title "Log in to Ressources AFT logistique" is displayed in a bold, black font. Below the title are two input fields: "Username or email" and "Password". A blue "Log in" button is positioned below the password field. To the left of the button is a link for "Lost password?". A horizontal line separates the login section from the registration section. The registration section starts with the heading "Is this your first time here?" followed by the text "For full access to this site, you first need to create an account." Below this text is a gray "Create new account" button. At the bottom left, there is a language selector showing "English (en)" with a dropdown arrow, and a gray "Cookies notice" button. In the bottom right corner, there are three small icons: a download arrow, a home icon, and a document icon.
